Mr. Mahesh Parmar taught 'Why memorize the scripture and meditation, the 'Word of God', 'Quite Time'. Mr. Enock taught 'Testimony' and 'My heart Christ Home'.

MEN SPEAK

After attending seminar now I have realized that I was a just a nominal Christian. First and foremost I must be a disciple of Christ

then and then I am called as a Christian. I have to deny everything and then only I become disciple of Christ. I learned the meaning of the wheel illustration and it has taught me about keeping balance of Word, Prayer, Fellowship and Witness if I want to go closer walk with Jesus. The things I learned in the seminar I will surely share with my friends and I will live what I have learned in the seminar.

I am grateful to God for giving opportunity to participate in the seminar. Three days became very crucial for me. I learned about growing in the Lord and becoming more effective in the ministry. Historical facts of the Bible were very interesting. Because that will save me away from false teachers and I will make others to be alert from them. I praise God for what He has done in my life.
