Newsletter January 2025

"Finally, brothers (sisters), pray for us that the message of the Lord may spread rapidly and be honoured, just as it was with you." (2 Thess.3: 2 NIV)

Dear Prayer Partners,

"Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. For this I toil, struggling with all his energy that he powerfully works within me." - Colossians 1:28-29

Beloved in the Lord, 2024 has ended in a blink of an eye and two months of 2025 have passed. Then, in these passing years, the great command given by the Lord to the believer in Matthew 28:19 "Go... make disciples" seems to be forgotten, but the same thing as stated in the letter to the Colossians, the apostle Paul reminds us again today. This verse seems to alert us. We see four things in it.

The first point – is "Self-examination" Here it says "the perfect man in Christ". Here Paul is talking about the transformation of the person who goes through the process of confession and forgiveness of sins after realizing their sins. So that they are saved from the wrath to come.

Second point - "Doctrinal Instruction" Here Paul talks about every believer to present himself to God as a fully mature Christian.

Third point - "Gospel". In verses 24 to 29 of the same chapter, we see that Paul talks about taking the vision of God to the world through the example of the situation in which he spreads the gospel. By this, he tries to present such believers who also participate in the work of the gospel.

Fourth point – Perfection. When one lives in submission to God and puts Christ at the center and lives according to God's promises and becomes a teacher of others who involves others in this process, then the step of perfection can be reached.

God is telling us the same thing today as Christian believers we need to have our participation in these works. May God use us in His great work in 2025 and may God be glorified.

Jivan Sandesh Family Gathering 2025

Jivan Sandesh Family Gathering was organized at Alliance Church, Sionnagar on Sunday, January 5, 2025, at 6.30 pm. In this gathering, Jivan Sandesh staff, board-society, Jivan Sandesh volunteers, and people who helped in Jivan Sandesh's various services participated with their families. On this day Rev. Linus Isai preached the word of God, Enoch Christian gave a Jivan Sandesh Ministries report and prayer request for 2025. All the families joined in for dinner after the meeting.

Late Mr. Peterbhai K. Christy

Peterbhai served as a volunteer for collecting donations for Jivan Sandesh for more than 20 years. For many years Peter Bhai and the whole family were associated with Jivan Sandesh. But after Peterbhai retired from his job, he accepted the service of collecting donations of Jivan Sandesh as if he were a permanent servant of Jivan Sandesh. At first, it was not easy for him to visit families and pray. But living in love and faith in the Lord, the Lord made him successful in every situation. Talking about Peterbhai's life, he was very open, likable nature, always with a smile on his face and firm faith in God in any situation. Jivan Sandesh's family is deeply saddened by the loss of such a servant of God. Our prayer is that God comforts Monikaben, Alvin, and the entire family.

Participate in Renovation Work

Dear brothers/sisters in the Lord

Loving greetings in the glorious name of the Lord Jesus.

The main reason why Jivan Sandesh Ministries has survived to this day is the support of your prayers and donations, as well as your contribution in one way or another to Jivan Sandesh Ministries. We are grateful to you and God for all this.

The Jivan Sandesh office is located on the top floor of the Beulah Alliance Church. During the renovation work of the Beulah Church building structure engineer and architect examined three literature rooms, two office rooms, two rooms of the recording studio, the flooring, and the terrace of the Jivan Sandesh office. The existing construction is almost 40 years old. Based on the examination of the old construction of Jivan Sandesh, it was concluded that the terrace of the building has been weakened. The walls of different rooms and the studio room had developed post-earthquake cracks which can be more threatening. Therefore, along with the renovation of the Beulah Church Building, if Jivan Sandesh's studio room, office, terrace, flooring, etc are renovated, it will increase the strength of the Jivan building while the construction cost will also be reduced.

Taking this matter into consideration, the Jivan Sandesh Board and the Society agreed to carry out renovation and other necessary work of all Jivan Sandesh rooms and recording studio. The estimated cost of all the construction and renovation work of the recording studio is around 25 to 30 lakh rupees.

As this work is urgent and indispensable, this renovation work has been

undertaken. Hence, your cooperation and support of donations is needed. If you would like to donate to this work or help with any equipment, please contact Jivan Sandesh via the following phone number or e-mail.

Please keep this work in your prayers. With thanks,

Fellow servant in Christ,
